Notes on Terms & Conditions on Parent Volunteer Scheme

- Under this scheme, a parent may be able to register his/her child under Phase 2B of the Primary One Registration Exercise if he/she meets the following criteria:
 - Parent and his/her child is a Singapore Citizen or Singapore Permanent Resident.
 - Parent has joined the school as a Parent Volunteer and has contributed at least forty (40) hours of Voluntary service to the school during the given time frame **(See Table A)**
- A child whose parent(s) has/have given at least the **minimum forty (40) hours** of voluntary service to the school before 31st May of the year of the child's registration for Primary One may enjoy priority in registration under Phase 2B.
- Please note your child **is not guaranteed a place in Bukit Panjang Primary School** under Phase 2B of the Primary 1 Registration Exercise even with the completion of **minimum forty (40) hours** of voluntary services.
- Balloting will be conducted should the number of applications (including active community leaders) exceed the number of vacancies. Priority will be given in the following order:
 - Children who are Singapore Citizens
 - Children who are Singapore Permanent Residents
- Within each of the above categories, balloting will be conducted if applications exceed the number of vacancies. Places will be balloted according to the order of priority based on home-school distance categories, i.e. within 1km, between 1 & 2km and outside 2km.
- The number of hours served will not be the sole criterion to rank Parent Volunteers in the waiting list should they be unsuccessful in securing a place in Phase 2B.
- Selection of parent volunteers is not on a first come first served basis. The school reserves the rights to short-list applicants whose services meet the needs of the school and our students. In view of the 5-day work week, voluntary services that could be performed during weekdays and are most beneficial to the school and our pupils will be considered first.
- The decision of the school in the selection of parent volunteers is final and the school is not obliged to give any reason for unsuccessful application.
- The school shall not be held responsible in the event that a parent volunteer is UNABLE to fulfil the minimum forty (40) hours of voluntary service and, as such, is not meeting the requirement for registration at Phase 2B of the Primary One Registration Exercise.
